2007-09 FINANCIAL PLAN COMMUNITY FORUM

CAO Hampian and Finance Director Statler provided an overview of the goal-setting process, current goals, Measure Y results, and the fiscal outlook for 2007-09, following which Facilitator Maruska explained the interactive process designed for this forum.

There were approximately 220 participants in this forum. During the Public Comment period, approximately 70 members of the public provided input on the issues and goals that were of priority to them. Their comments were recorded and all participants were provided an opportunity to "cast a vote" next to five ideas they thought should be top priorities. Feedback from this community forum is summarized in Section 5 of the 2007-09 Financial Plan Goal Setting Workshops binder which is on file in the City Clerk's office.
