

InfoSLO User Guide

Welcome to the Portal for the City of San Luis Obispo! Here you can search for permit and Plan history as well as inspections and code cases.

Permit History
Search by permit number, address or parcel number for the history of a specific property and export data into an Excel spreadsheet.

Planning History
Search by plan number, address or parcel number for planning application history and export data into an Excel spreadsheet.

Inspection History
Search by inspection number, address or parcel number for inspection history and export data into an Excel spreadsheet.

Using the Search

The search tool is simple to use, select the search you would like, All, permit, plan, inspection or code case. (if using All, select the Exact Match option). Use any of the fields to complete the search. **Tip* Open the results right clicking and selecting "open in new tab" to keep the result list open.**

Search

Search

Permit Number	<input type="text"/>	Project Name	<input type="text"/>
Permit Type	<input type="text" value=""/>		
Address	<input type="text"/>		
Issue Date	<input type="text"/> <input type="button" value="Calendar"/>	To	<input type="text"/> <input type="button" value="Calendar"/>
Expire Date	<input type="text"/> <input type="button" value="Calendar"/>	To	<input type="text"/> <input type="button" value="Calendar"/>
Finalized Date	<input type="text"/> <input type="button" value="Calendar"/>	To	<input type="text"/> <input type="button" value="Calendar"/>

Click Export to save an excel file of your search results.

Using the Map

Simply type in an address or parcel number into the search bar, and select the address you would like to view. Clicking on the arrow to the right will allow you to see the legend. There is also a filter tab where you can view active Plans Permits and inspections from the last 30, 60 and 90 days.
