PARKS AND RECREATION DEPARTMENT • 1341 Nipomo Street • San Luis Obispo, CA 93401

January 20, 2010

Dear Softball Enthusiast -

The City of San Luis Obispo Parks and Recreation Department is preparing for the 2010 Spring Softball Season. Parks and Recreation leagues provide a social atmosphere for both men's and coed teams of all skill levels. Spaces are available for new teams.

**Registration** for all teams begins **Tuesday, February 16, 2010** and runs through **Friday, February 26, 2010**. The registration fee for all teams is \$572 per team for the spring season, which includes the team's insurance coverage for the year. The fee for each non-resident player (living outside the San Luis Obispo city limits) is \$8.00. Teams must turn in a full roster by the end of registration.

Leagues are determined by skill level, not by which night the team wants to play. The Adult Sports division does try its best to get each team the night they prefer, however in order to keep the leagues fair, we will only create leagues with similar skill levels (lower teams do not play against upper teams)

In order to register, registration fees are due in full. Please do not have players come to the Parks and Recreation Department individually to pay for their share of the fee. Please have ready when you register: one large payment or a collection of payments all together.

All players must sign the team's official roster before their team's first game to be eligible to play in the first game (without paying a \$5 add fee). After the first game a team may add players to the roster (\$5 fee) until the fifth game of the season.

**The season starts Monday, March 15, 2010.** There will be an optional Manager's Meeting, with a date and location to be determined after registration ends.

All registration takes place at the Parks and Recreation Administrative Offices, 1341 Nipomo Street, Monday – Thursday, 9 a.m. – 5:30 p.m. and Friday 9 a.m. – 5 p.m. If you have any questions, feel free to contact me using the number/email below. Thank you and we look forward to seeing you this spring!

Sincerely,

Ryan Baker
