

**DURING THE HOLIDAY** hustle and bustle, keep in mind that evil elves are on the prowl. Don't allow thieves to make you their Santa.

## HOLIDAY HOCUS POCUS

- Don't leave your bags unattended.
- Carry your purse under your arm or your wallet in an inside jacket pocket – not a back pants pocket.
- Check all credit card statements for false charges.
- Lock shopping bags in the trunk.

The Grinch really can steal Christmas.
