

WHETHER CAMPING at a nearby beach or out in the desert, a few tips can help you deal with the bears – crooks and creeps, that is.

SETTING UP CAMP

- Avoid camping alone in isolated areas.
- Familiarize yourself with local emergency locations and phone numbers in case of accidents or crimes.
- Mark all your belongings and camping equipment with your California driver's license number and keep a record of equipment. Use a permanent marker.

Don't let Yogi and the rest of the bears steal your pic-a-nic basket.
