### THE CITY PUTS MEASURE Y FUNDS TO USE Coming Soon to Neighborhoods Near You!

The City of San Luis Obispo is making improvements to City streets and storm drains—all made possible by Measure Y funding—*your ½ cent sales tax at work!* The following is a list of Measure Y projects taking place this spring and summer, along with estimated construction schedules and costs:

#### **Chorro Street Reconstruction**

Paving of Chorro Street, from Higuera Street to Palm Street, is scheduled to begin on April 9, 2012 and has an estimated completion date of May 11, 2012. This project will repave portions of Chorro Street and adjust water and sewer facilities to new pavement elevations. New curb ramps will be installed to allow for improved access for persons with disabilities. The estimated cost of construction is \$245,749.

#### **Storm Drain Repairs**

Construction to rehabilitate existing storm drain systems adjacent to properties located at 276 Del Mar Court, 290 Ramona Drive and 572 Foothill Boulevard, is scheduled to begin in June 2012 and has an estimated completion date of September 2012. Over 300 linear feet of polyvinyl chloride (PVC) pipe or High Density Polyethylene (HDPE) pipe liner will be installed as well as six catch basins upgraded. The estimated cost of construction is \$269,000.

#### **Street Reconstruction 2012**

Construction to repave Santa Barbara Street, between Leff and Broad Streets; and Pismo Street, from Johnson Avenue to the rail road tracks is scheduled to begin July 31, 2012 and will continue through October 22, 2012. The estimated construction cost of construction is \$750,000. (Please see attached map for locations.)

#### **Microsurfacing 2012**

Microsurfacing of City streets near the southwest side of town, and other various locations, is scheduled to take place simultaneously with Street Reconstruction 2012, with an estimated construction cost of \$750,000. (Please see attached map for locations.)

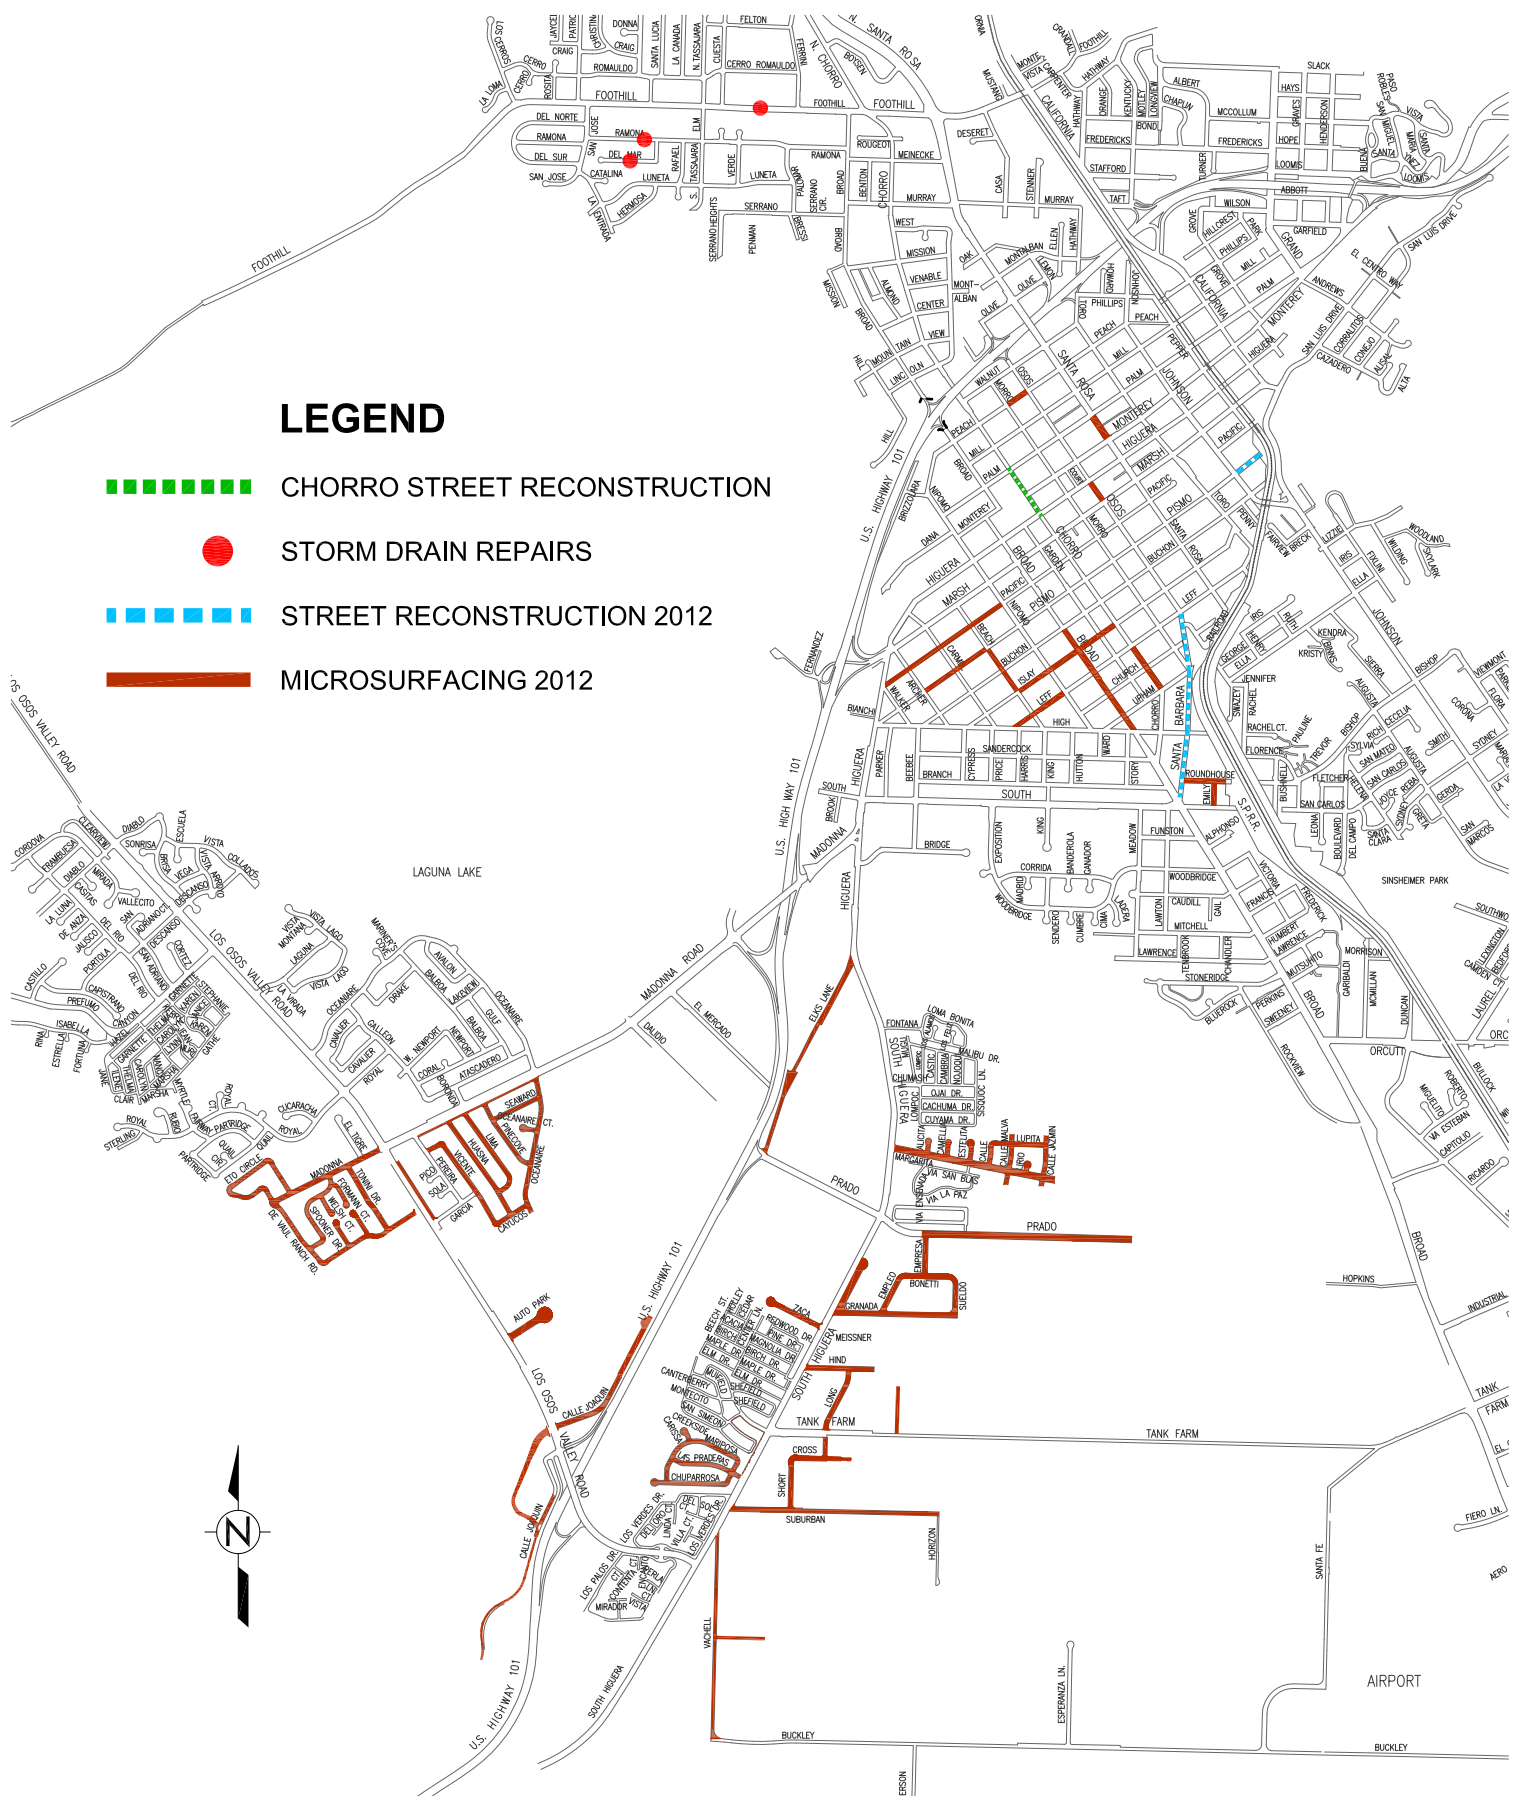

For more information on how San Luis Obispo tax payers' Measure Y funds are being put to use, please visit the Public Works website at [www.slocity.org](http://www.slocity.org) or contact Public Information Officer, Andrea M. Montes at (805) 781-7014 or via email to [AMontes@SLOCity.org](mailto:AMontes@SLOCity.org).
