City of San Luis Obispo
Homelessness Response Manager
The City of San Luis Obispo (SLO) has an exciting opportunity for a Homelessness Response Manager to help develop strategic and effective ways to address the impacts of homelessness in our community. Coordinate the efforts of a talented cross-functional team of professionals and regional partners to achieve the City's homelessness related goals. With the effects of the COVID-19 pandemic bringing new urgency to the regional challenge of homelessness in San Luis Obispo, the City Council has enhanced resources in support of the City's engagement in a regional efforts to address the issues on a policy front and on the ground.

You should have a Bachelor’s degree in social or behavioral sciences, planning, business, public administration, public health or a related field and four years of progressively responsible professional experience managing complex public policy related work requiring the use of effective analytical, communication and organizational skills, including one year of experience related to homelessness response, housing programs, housing services, health promotion, food security, mental health, or addiction.
