SLO Transit Expands Service Options

- Additional Bus Service Beginning February 1st -

San Luis Obispo, CA – Beginning Monday, February 1st, SLO Transit will provide the general public with a new bus service option in an effort to alleviate high ridership demands on weekday mornings. The Kennedy Library Tripper will service Downtown, Cal Poly, and the Ramona Drive neighborhood, arriving at existing Route 4 and Route 5 bus stops approximately 10 minutes before the scheduled Route 4 and Route 5 service. The Kennedy Library Tripper will service three morning trips Monday through Friday from approximately 7 AM to 10 AM.

The Kennedy Library Tripper will be the second “tripper” bus service provided by SLO Transit. “Tripper” bus service is distinguished from other routes by its limited trips designed around peak traffic and ridership periods. The general public can connect to the Kennedy Library Tripper from every SLO Transit route. This new route option provides the public with access to the Kennedy Library on Cal Poly’s campus approximately twice per hour during the service timeframe.

SLO Transit passes are conveniently sold on every SLO Transit bus, the City of SLO Finance counter, Boo Boo Records, the SLO Chamber of Commerce, and SLO High School.

SLO Transit is the local fixed-route transit operation for the City of San Luis Obispo, operating directly out of the City’s Public Works Department. SLO Transit operates ten vehicles at peak along eight fixed routes within the 23 square miles of the city limits of San Luis Obispo and California Polytechnic State University. SLO Transit operates Monday through Friday approximately from 6 am to 10 pm and Saturday & Sunday from 8 am to 6 pm. You can learn more by visiting slotransit.org.
