Public Comment Requested by SLO Transit

- Short Range Transit Plan (SRTP) Public Meeting on April 5th -

San Luis Obispo, CA – The City of San Luis Obispo Transit (SLO Transit) is requesting public comment on the update of its Short Range Transit Plan (SRTP), Fiscal Year 2017 - 2021. The SRTP is a planning document to help shape the SLO Transit fixed-route system for the next five to seven years. The SRTP provides direction in planning system growth and responding to needed changes, per the evaluation of existing and projected demographic, socioeconomic, land use and operating conditions by an independent third-party consultant.

The public is invited to attend an SRTP Public Meeting on Tuesday, April 5, 2016 from 4:30 PM to 6:00 PM at the City/County Library Community Room at 995 Palm Street. The SLO Transit Manager will present on the SRTP and proposed system changes. Public comment is encouraged at this session.

The drafted SRTP working papers are available for public review on SLO Transit's website at slotransit.org, the City/County Library at 995 Palm Street, the City of San Luis Obispo Clerk's Office at 990 Palm Street, and the City of San Luis Obispo Public Works Department at 919 Palm Street.

Public comment may be submitted at slotransit.org, emailed to slotransit@slocity.org, faxed to SLO Transit at (805) 781-7563, or mailed to SLO Transit at 919 Palm Street, San Luis Obispo, California 93401. Comments will be accepted through Friday, May 6, 2016.

For additional questions or comments regarding the SRTP, please call the City of San Luis Obispo Transit at (805) 594-8090.
