Private Sewer Lateral Program Rebate Information

About this Program

This rebate program was created to provide financial assistance to property owners of single-family residences replacing their sewer laterals. Rebates will be available to property owners for as long as the program is funded.

Rebate Eligibility Requirements

To be eligible for the City's Private Sewer Lateral Rebate:

- The property must be located within and permitted/inspected by the City of San Luis Obispo.
- The work must consist of full replacement of an existing private sewer lateral serving a single-family residence including the connection to the City's sewer main.
- The permit for the work must have been completed on or after August 21, 2019.
- All applications are subject to approval by Utilities Department officials.

Procedure

1. Applications are available at the Utilities Department Administration Office at 879 Morro Street or online at: www.slocity.org/government/department-directory/utilities-department.
2. Applications must be filled out completely. Applications can be hand delivered or mailed to the Utilities Department (attn. Sewer Lateral Rebate) 879 Morro Street, San Luis Obispo, CA 93401 or emailed to jgearhart@slocity.org.
3. Utilities Department staff will review the application and verify through the City's permit database that the application accurately describes the work performed.
4. Once approved, the rebate request will be processed and a check will be mailed to the property owner as listed on the application. Please allow up to four weeks for the rebate to be issued.
