Parking Meters

- Temporary Free parking at meters and garages.
- Timed parking enforcement in the downtown starting June 1, 2020.
- For parking longer than 2 hours, use the garages, 10-hour meters and surface lots 9, 14, & 15

Examples of Safety Violations that are always Enforced:

- Red curbs / No parking signs
- Fire hydrants
- Crosswalks
- Sidewalks
- Disabled Spaces/Ramps
- Fire lanes
- Driveway
- Over 18
- Alley parking
- Back in

White Zones
Unoccupied parking for pick up and drop off is allowed for up to 15 minutes. Vehicles parked/waiting longer, are subject to citation.

Yellow Zones
Unoccupied parking for all types of vehicles for pick up and drop off is allowed for up to 15 minutes. Commercial vehicles allowed up to 30 minutes for loading/unloading.

Red Bagged Meters
Are for construction purposes only. NO PARKING anytime. Spaces are strictly enforced.

Customer Curbside Pickup
Red customer curbside pickup meter bags will be transitioning to NEW orange “Customer Curbside Pickup” bags as part of our Parking Services phase 2 reopening of downtown.

Orange Bagged Meters - NEW!
Food and retail pick up; up to 15 minutes unoccupied.

Commercial Deliveries
Commercial vehicles must use yellow zones. Loading/unloading in the right-of-way is not allowed.

Validations
When parking rates are re-established, businesses can validate garage parking at no cost to them.
