## WHAT’S THE DIFFERENCE?

What’s the difference between federal and state governments?

### FEDERAL GOVERNMENT
- Limited powers over all 50 states & territories per the Constitution
- Run Treasury
- Form & maintain Military
- Administer Medicare
- Manage interstate commerce
- Regulate international trade & foreign policy

### STATE GOVERNMENT
- Pass laws to advance public health & safety
- Provide funding for social services such as drug & alcohol services & homeless services
- Manage public healthcare & safety
- Establish & maintain schools
- Provide funding for elections
- Maintain Federal & State highway system
