City of San Luis Obispo

Look for it...
The City of San Luis Obispo invited artists residing in San Luis Obispo, Santa Barbara and Monterey counties to apply for a public art project to create art on 32 utility boxes located throughout San Luis Obispo. The goal of the project is to use utility boxes as “canvases” for original pieces of art as well as contribute to the vitality and attractiveness of the downtown while deterring graffiti. Not only will this project improve the “curb appeal” of one of the most attractive, interesting and economically vibrant downtowns in America, but it will also give artists an opportunity to add their personal touch to the City’s public art collection.
